On September 16, 2014, the defendant was charged in Wake County, North Carolina, with Driving While License Revoked (14CR756502). The defendant failed to report this charge to his probation officer until he was confronted on September 24, 2014. The case remains pending. Issac previously completed 24 hours of community service and his substance abuse assessment. Although he has not completed the treatment classes, he is registered to start on Saturday, September 27, 2014. In light of his initial compliance with supervision and his employment history, the probation office request that an additional 10 hours of community service be imposed. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that probation be modified as follows:

1. The defendant shall perform an additional 10 hours of community service as directed by the probation office and if referred for placement and monitoring by the State of North Carolina, pay the required \$200 fee.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
